

VOLUNTEERS

Our service depends on a team of trained volunteers and paid staff.

Volunteer roles include:

Emergency Relief Interviewers

Interviewers complete a training course, one day a week over six weeks as Community Information and Emergency Relief worker. This is a rewarding role for people with an interest in community welfare.

Volunteers gain general experience at the agency and may then choose to complete the course.

Community Information Workers

Help to keep our Community Information publications up to date.

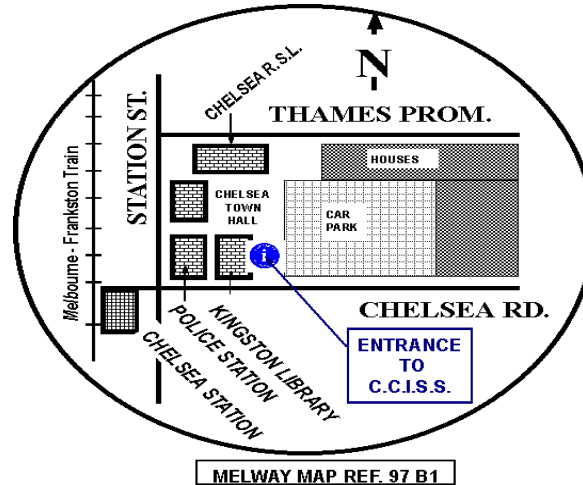

For further information about volunteering opportunities, P 9772 - 8939

Donations to ChelCSS are Tax Deductible. Contact our manager for further information.

ChelCSS acknowledges the financial support from the City of Kingston and Department of Social services
